Three questions with Yes/No checkboxes: 'Have more than 60 days elapsed since you received the distribution from your former custodial bank?', 'Have you made a rollover contribution to an HSA during the preceding 12 months?', and 'Does your rollover contribution consist of assets other than those distributed from your former HSA?'.

Rollover Rules and Conditions:

General Information
A rollover is a way to move money or property from a Medical Savings Account (MSA) or HSA. The Internal Revenue Code (IRC) limits how many rollovers may be taken, how quickly rollovers must be completed, and how the Trustee or Custodian must report the transaction.

Rollover
1. Timelines - The fund you receive from the distributing MSA or HSA must be deposited into an HSA within 60 days after you receive them.
2. Twelve-Month Restriction - You are entitled to one distribution per year per HSA which may be rolled over. Twelve (12) months must pass after receipt of one distribution which you roll over before you may take another distribution from the same HSA to roll over.
